Jurisdiction and Venue:

(The reason your case is being filed in federal court
and why the court is legally permitted to hear your case)

This case is a question of the Constitutionality
of N.H. State statute.

Statement of Claim:

(State here as briefly as possible the facts of your case)

The State of N.H. denies Defendants of a jury trial for Class B Misdemeanors. This promotes egregious misconduct on all levels - judge, prosecutor, police. The misconduct is kept 'in house' if only judges see it and not a jury. In addition, there is a question in this case of the police committing greater crime than the people that they are trying to throw in jail. A jury would not allow the police to commit felonies with flamboyant arrogance while carrying out the duties of an officer. It was also discovered that officers make up laws and enforce them at the point of a gun. A data scan of the NCIS database will reveal this to be fact. The laws which allows this to happen have been around for decades. Therefore, the state of N.H. has been violating the civil rights of the citizenry for decades.

Statement of Claim:
(Continued)

To paint as ugly a picture as possible, passing a blatantly obvious violation of the Constitution, is an act of Treason. It is the responsibility of the citizenry to keep an eye on such things. The citizenry is to take blame on this situation. This justifies the trillion dollar monetary demand, the amount needs to be high enough for a state to 'notice' and 'send a message'. The state of N.H. is illegally trying to succeed from the Union by surreptitiously passing laws that obviously violate the Constitution. The State of New Hampshire needs to be punished for this. I request class action status to allow NH to make amends with a monetary award to me. I will use the money to build a Free Energy Technology Infrastructure for N.H. This will make N.H. a world class economic center.

Relief Requested from the Court:

(State briefly exactly what you want the court to do for you)

I have been working on Tesla Free Energy for over 28 years. I am ready to come out now, and go full speed ahead. I demand \$1,000,000,000,000.⁰⁰ (one trillion dollars) from the State of New Hampshire for the unGodly injustices they have committed against me.

Jury Demand:

Check this box if you are requesting a jury trial (if you want a jury of your peers to decide your case).

Check this box if you are **NOT** requesting a jury trial (if you want the assigned judge to decide your case).
